

2011 BABY BOTTLE CAMPAIGN IN SUPPORT OF MARILLAC PLACE

HOW TO PARTICIPATE

1. Enroll your organization into the campaign by completing the form below.
2. You tell us how many empty baby bottles you would like. We have small bottles that you can hand out to individuals or large bottles to place in common areas. We will deliver the bottles to you along with promotional material and a basket to hold the bottles.
3. On the date of your choosing, you hand out the bottles or leave them in a convenient area for pick up. Most organizations hand them out around Mothers Day and collect around Fathers Day.
4. Participants take the bottles home, or leave them on their desks at work and use them as piggy banks.
5. All bottles have a tag on them where the donor can provide information to receive a tax receipt.
6. At the end of your campaign, you collect the bottles
7. Call us and we will pick up the bottles
8. We take care of counting the money
9. We will let you know how much your organization raised for Marillac Place.

PLEASE CALL 519-571-3772 if you have any questions!
